GREAT WESTERN VISTAS

THE MAGNIFICENT GRAND CANYONS OF THE WEST

JANUARY 16 - 23, 2026 | MARCH 6 - 13, 2026 | OCTOBER 30 - NOVEMBER 6, 2026

All Aboard!

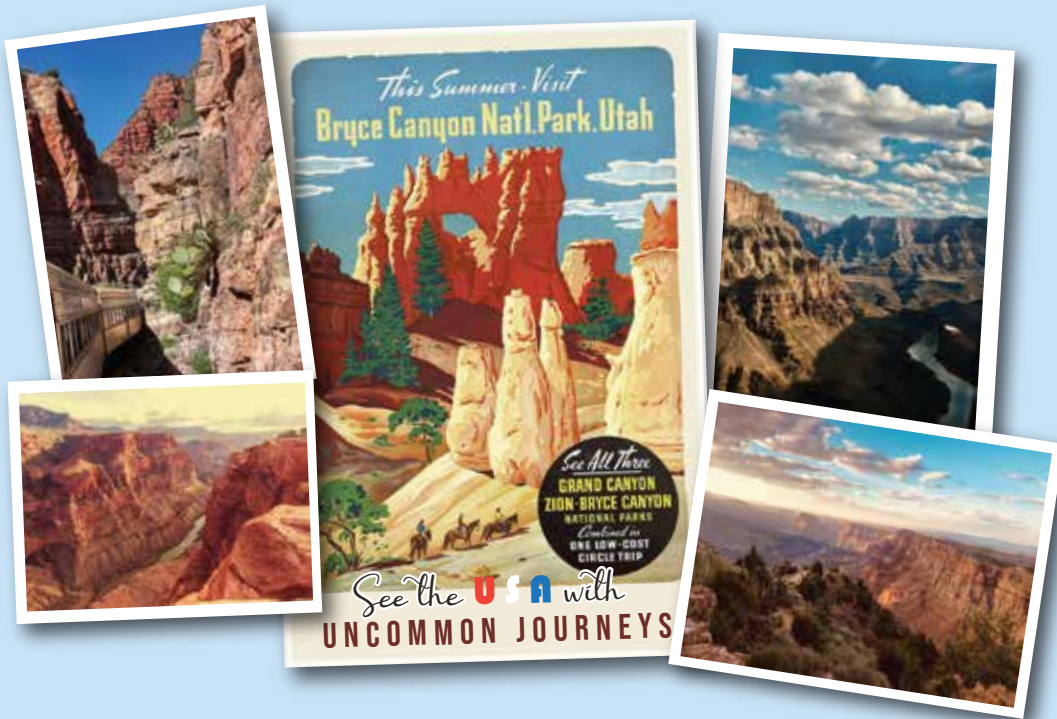

For the first time in many years, we are offering again a showcase journey to the Grand Canyons of the West that takes in some of the greatest sights in the country including the Grand Canyon, Antelope Canyon, Lake Powell, and Bryce & Zion National Parks, all in stylish and relaxed vacation where the majority of our hotel stays are two-nights long.

From the stunning South Rim of the Grand Canyon with view points most other companies do not offer to Upper Antelope Canyon to Zion National Park with its towering sandstone cliffs and Bryce Canyon's hoodoo formations, every day is a visual feast.

As you would expect, we have included great train rides including the Verde Canyon Railroad through Arizona's Redrock country and the storied Grand Canyon Railway which takes us right to the South Rim of the Grand Canyon. Naturally we have included fine hotels with breakfast daily, comprehensive sightseeing throughout (included in the price) and some special treats like a cowboy dinner during our stay at Bryce Canyon. Along with a visit to the spectacular Valley of Fire. For convenience our trip ends in Las Vegas with excellent air service home with a hotel stay that includes airport transfers and a very special farewell dinner.

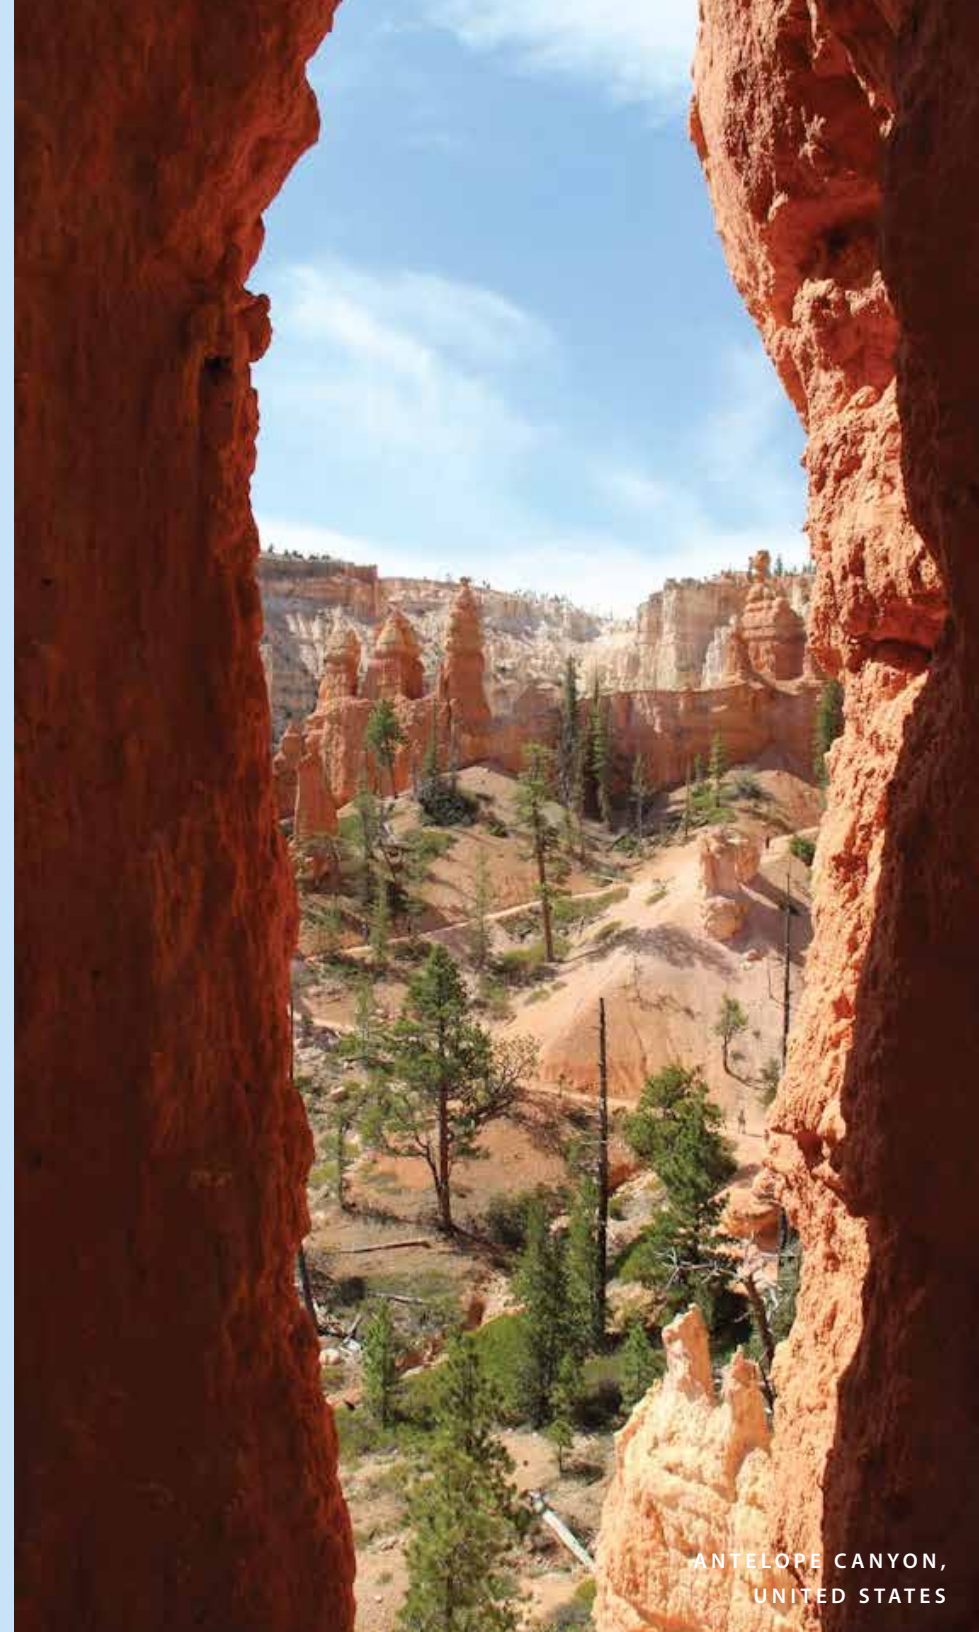

Nicest of all, this is a small group tour, with no more than 14 guests enjoying our custom-built Mercedes Sprinter with large windows, two and one seating and extra comfort.

We have no doubt all of these departures will fill quickly so prompt reservations are encouraged.

"In the Grand Canyon, Arizona has a natural wonder which is in kind absolutely unparalleled throughout the rest of the world."
